

Annie Oakley Aroma Jewelry for Trendy Oilers to go with our Eclectic Remedies® pure essential oils.

Aroma Locket Necklaces are polished stainless steel with magnetic closures, each comes with 4 reusable felt pads. Note: Surgical stainless steel does not tarnish causing stains on clothes and cleans up with soapy warm water for a beautiful lasting look. Annie Oakley's aroma bracelets come with natural stones including lava beads to add/drop essential oils onto and have adjustable macramé cotton.

USE it DIFFUSE it! Add a few drops to Annie Oakley's aroma jewelry and enjoy aromatherapy for a day or up to a week depending on the oils used. Annie Oakley pure essential oils compliment all of our fine natural fragrances. Both can be worn at the same time.
